

Workshop – Duets

The Workshops:

11am to 1pm – With Graeme Denniss titled 'Duet Playing - Educational benefits and Compositional techniques'. The workshop is a Lecture/Demonstration of the educational benefits for students of playing duets, as well as an exploration of various contemporary techniques which form the basis of Graeme's compositions. A small number of his students will be present and performing some of the duets.

2pm to 4pm - In order to encourage teachers to give their students the opportunity of playing Duets and perhaps enter them for the MTAQ Qld Piano Competition Duets Section. Sue Thompson will give suggestions and perform attractive Duets suitable from Grade One upwards.

The Presenters:

Dr Graeme Denniss brings over 30 years experience to all his teaching areas of Piano, Composition and Theory.

Sue Thompson is a highly respected piano teacher who has had many years in studio teaching, as well as lecturing in piano pedagogy at various universities in Queensland, USA and music teacher conferences and workshops in Australia and New Zealand
