Members of MTAQ Townsville and District branch are to be congratulated on a fantastic Alan Lane Memorial Workshop. Being a piano teacher, I attended workshops for beginning grades to advanced, all presented by very high caliber musicians, including Kathron Sturrock, Sonny Chua, Glen Riddle, John Colwill, Dr Robert Keane and Professor Peter Roennfeldt. Without exception, these workshops were entertaining and informative. Food provided on both days was delicious and plentiful, and delegates were treated to two wonderful concerts by the presenters at the end of both days. I left Townsville exhilarated and inspired and looking forward to the next Alan Lane Memorial Workshop in 2010!Gai Ramsay – MTAQ Sunshine Coast
